First Amended Resolution of Necessity

RESOLUTION NO. 2005-R-_____

SEMINOLE COUNTY, FLORIDA

**FIRST AMENDED RESOLUTION
(BUNNELL ROAD)**

**THE FOLLOWING RESOLUTION WAS ADOPTED BY THE
BOARD OF COUNTY COMMISSIONERS OF SEMINOLE
COUNTY, FLORIDA, AT ITS REGULARLY SCHEDULED
MEETING OF _____, 2005.**

WHEREAS, the safe, efficient and uninterrupted transportation of people and property from place to place on the County Road System of Seminole County is a matter of great concern to the people of the County and is necessary to ensure the smooth operation of commerce and other activities within Seminole County; and

WHEREAS, the constitutional home rule powers of Seminole County, the *Florida Transportation Code* (Chapters 334-339 and other provisions of the Florida Statutes as established in *Section 334.01, Florida Statutes*) and other applicable law including, but not limited to, *Chapter 125, Florida Statutes*, invests authority over the County road system of Seminole County in the County; and

WHEREAS, the elimination of safety hazards in existing and future transportation facilities within Seminole County is of utmost concern and encourages the full utilization of such facilities by the traveling public; and

WHEREAS, it is necessary, beneficial and desirable that vehicular traffic within any transportation facility in developed or developing areas of the County has an adequate right-of-way in order to accommodate the roadway and its appurtenant facilities to decrease the likelihood of accidents and to increase the safety of travel within and upon such facilities; and

WHEREAS, Bunnell Road (from west of Eden Park Road to West Towne Parkway) is an existing roadway through a developing area with a high volume of traffic; and

WHEREAS, this First Amended Resolution of Necessity is necessary to amend Resolution of Necessity Number 2004-R-72, that was approved and adopted by the Board of County Commissioners of Seminole County on April 13, 2004, and pertains to a certain parcel to be acquired for **Bunnell Road** improvements; and

WHEREAS, the existing right-of-way along the proposed roadway is inadequate for proper utilization as required by vehicular traffic volumes. Additional traffic lanes and improved drainage facilities are necessary to reduce safety hazards and improve traffic flow. The property hereinafter described is being acquired for use as right-of-way for new sections of roadway, additional traffic lanes and improved drainage facility on Bunnell Road to be used by the public in general. Said property hereinafter described is necessary for roadways, rights-of-way, drainage facilities, and related facilities for the use of the general public including, but not limited to, rights-of-way, drainage facilities and other roadway improvements; and

WHEREAS, Seminole County has heretofore caused the roadway's area of construction to be located and surveyed and has caused a right-of-way map for the section of **Bunnell Road** hereinabove described to be prepared, based upon and incorporating the survey and location data; and

WHEREAS, the revised legal description of the property needed for the improvements to the roadway and the improvement of its drainage system have been

prepared based upon the aforementioned survey and location data and the right-of-way map; and

WHEREAS, the Board of County Commissioners of Seminole County desires to adopt a First Amended Resolution for the section of **Bunnell Road** hereinabove described and to add, modify or revise Parcel No. 707 needed for improvements to the roadway and improvements of its drainage system on this section of **Bunnell Road**; and

WHEREAS, the Board of County Commissioners of Seminole County desires to utilize the provisions of Florida law to the fullest extent possible in order to accomplish the public purpose of acquiring necessary parcels of real property at prices that are both fair to property owners and prudent in terms of spending the tax revenues and other public funds which fund the transportation projects of the County; and

WHEREAS, the Board of County Commissioners of Seminole County hereby determines that the actions taken herein are consistent with the goals, policies and objectives of the Seminole County Comprehensive Plan;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF SEMINOLE COUNTY, FLORIDA;

Section 1. The above recitals are adopted as findings and incorporated into the text of this Resolution

Section 2. It is necessary, serves a County and public purpose, and is in the best interests of the citizens of Seminole County and the traveling public to widen the road and improve the appurtenant drainage facilities on or relating to **Bunnell Road** (from west of Eden Park Avenue to West Towne Parkway) in order to enhance public transportation within Seminole County, to alleviate traffic congestion and to increase the safety of travel along said road.

Section 3. The acquisition of the property described in Exhibit "A" attached hereto consisting of 1 page and identified as Exhibit "A", 000001, is hereby ratified and confirmed and found to be necessary for said improvements to the extent of the estate or interest set forth as a part of the parcel's description. The Board of County Commissioners of Seminole County hereby finds and determines that the acquisition of this parcel is necessary and serves a County and public purpose.

Section 4. The interest sought to be condemned designated as **Bunnell Road** Parcel No. 707 is to be utilized as a temporary construction easement. The County's use of this parcel is for the purposes of (1) constructing roadway and drainage improvements within public rights-of-way; (2) constructing or modifying driveways, walls, and other structures affected by the roadway construction but which are not within the public rights-of-way; (3) storage and marshalling of equipment and materials during the roadway construction project, and (4) demolishing or clearing any structures, improvements or other features required to be removed in order to construct the roadway and drainage improvements, with full authority to enter upon, grade, regrade, excavate or otherwise construct such improvements as may agreed upon by County and the property owner, provided however, that County shall, at the end of the term of this easement, return the premises to the condition existing immediately before County began use of the premises, any improvements or alterations agreed to by the property owner and ordinary wear and tear excepted. County's rights under this easement shall commence upon issuance of a notice to proceed to a construction contractor for the construction of the roadway project and end on the earlier of five (5) years after issuance of the notice to proceed or ten (10) years after the date this instrument is recorded in the public records of Seminole County.

Section 5. The County Engineer or his designee is hereby delegated the authority to amend the construction plans for Bunnell Road and is authorized to bind the County to construct Bunnell Road in accordance with the construction plans as amended from time to time. This authority shall encompass any change considered necessary in the discretion of the County Engineer or his designee, but shall not include changes in the typical section or alignment approved by the Board of County Commissioners of Seminole County.

Section 6. The County Attorney's Office is hereby authorized and directed to institute a suit or suits in the name of Seminole County and fully exercise Seminole County's power of eminent domain for the purpose of acquiring the parcel described in Exhibit "A" attached hereto to the extent of the estate or interest set forth as a part of the parcel's description and is further authorized and directed to do all things necessary to prosecute such suit or suits to final judgment by settlement or adjudication. In pursuit of such authorization and direction, the County Attorney's Office is specifically authorized to sign and file a Declaration of Taking so that Seminole County may avail itself of the provisions of *Chapter 74, Florida Statutes*, and is further authorized to accomplish the acquisition of each parcel by settlement and compromise at such terms that it may deem advisable under the circumstances of the litigation in those instances where same can be effected in accordance with any terms, conditions and limitations as established from time to time by the Board of County Commissioners of Seminole County. The County Attorney's Office is authorized and directed to utilize and assert any and all constitutional and statutory authority of Seminole County and the Board of County Commissioners of Seminole County relative to the acquisition of the subject parcel including, but not limited

to, the provisions of *Chapters 73, 74, 127, 332, Florida Statutes*, as well as the provisions of the *Florida Transportation Code* referred to in the recitals to this First Amended Resolution.

Section 7. Prior to the institution of any suits filed by the County Attorney's Office, the County Attorney or his designee is authorized to negotiate for the purchase and sale of any of the property described in Exhibit "A" at a value consistent with the authority granted by the Board of County Commissioners of Seminole County and to bring back for execution by the Chairman or, in his absence, the Vice Chairman, without further Board action, the Agreement to consummate the sale to Seminole County.

Section 8. This Resolution amends Resolution of Necessity Numbers 2004-R-72, to delete the legal description for Parcel No. 707 and substitutes therefore the legal description for Parcel No. 707, by amending the legal description for Parcel No. 707, the legal description being attached hereto as Exhibit "A". The remaining provisions of Resolution of Necessity Number 2004-R-72 are hereby ratified and affirmed.

ADOPTED this _____ day of _____, 2005.
